Dear Parents/ Carers,

Parent Workshop: Dyslexia Support and Reading Difficulties

We are writing to invite you to a parent workshop we will be running on the 25th September at 3.45pm in school and at 5pm via Teams. During this workshop, we will outline some of the issues children may experience when learning to read and ways we support children experiencing difficulties with reading in school. We will discuss ways in which parents can support their children with reading at home and provide you with ideas you can take away and try out.

We very much hope that you will be able to attend this workshop and ask that you indicate your intention to attend via Gateway, indicating which meeting you would like to join. If you are unable to attend either meeting but would have liked to, please let us know so that we can gain an idea of interest for future workshops.

Yours Sincerely

Miss Raymond
