A message from Mrs Gum

Please download the School Gateway app. It is costing school an unmanageable amount texting parents who do not have the School Gateway app. Only 60% of parents have the app. For the foreseeable future, communications will be made via email not text. This will save school a considerable amount of money. This will be reviewed once the majority of parents are using the app.

The classes for September are being finalised and we will endeavour to have this information to parents by the end of next week.

Anxieties around classes often stem from parental worries and uncertainties, with the reality being that the children thrive and demonstrate resilience in whichever class they are in. Our school mission of faith, hope, fun, love and learning is lived out in all classes by all members of staff. It is vital that parents and carers take a positive and supportive approach once classes are shared.
