

Tuesday 16th October

Dear Parents and Carers,

As part of the extensive Personal, Social and Health Education that is provided in school and our journey to achieving the Wellbeing Award, we are starting a new programme called 'No More Outsiders In Our School' created by Andrew Moffat.

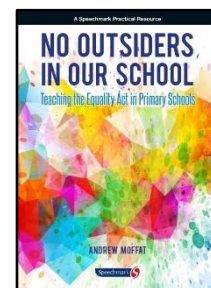

The No Outsiders resources provide support for every primary school in the delivery of the objectives outlined in the Equality Act 2010 and in the National Curriculum for PSHE.

Each element of the programme is based around a series of books, which address issues such as belonging to a family, the different types of families we have in modern Britain, mental health issues, bullying, racism and being transgender. Each learning focus is completed at an age appropriate level.

We would like to invite parents and carers to come to a 'drop in' session on **Wednesday 24th October at 2:45pm in the Assembly Hall** to have a look at the books the children will be reading in every year group. Refreshments will be provided.

Thank you for your support,

Miss Bennett
