Young Minds - Hello Yellow

Dear Parents and Carers,

I am writing to let you know that we are taking part in #HelloYellow on 10 October 2022 this World Mental Health Day.

The number of young people in need of mental health support is growing faster than ever, Young Minds has reported a record breaking 420,000 young people being treated for mental health problems every month. We are passionate about our children's emotional wellbeing and are very keen to support this charity to continue to raise the profile of positive mental health.

This year #HelloYellow is more important than ever. We need to make sure young people know that how they feel matters and they deserve to feel supported.

We'll be joining thousands of other schools by wearing yellow to show young people that how they feel matters, as well as raising money for YoungMinds. To take part, pupils can wear yellow to school on 10 October. We ask parents and carers to kindly make a donation of £1 via School Gateway.

Many thanks for your continued support.
